

Consortium **ESWI**
Expert Team to Support Waste Implementation

Draft Agenda

for the workshop related to the “Study on the calculation of recycling efficiencies and implementation of export article of the Batteries Directive 2006/66/EC”

Tuesday, **20 January 2009**, Brussels, European Commission/Directorate General Environment, 5, Avenue de Beaulieu, **Room 0/C** (ground floor)

- 10:00 TOP 1 Welcome (Commission)
- 10:15 TOP 2 Background and objectives (BiPRO)
- 10:30 TOP 3 Project approach, data collection, specifications and definitions (BiPRO)
- 12:00 TOP 4 Method for calculation of recycling efficiencies (UBA)
- 13:00 Lunch
- 14:30 TOP 5 Reporting on recycling efficiencies (UBA)
- 15:00 TOP 6 Best available techniques and treatment requirements (BiPRO)
- 15:30 TOP 7 Criteria for equivalency of recycling operations outside the European Union (BiPRO)
- 16:00 Coffee break
- 16:15 TOP 8 Conclusions and final discussion
- 17:00 End of the workshop

Usually topics will start with a presentation. After each presentation there will be time for discussion.

Presentations are available at www.bipro.de/batteries-directive.
